## AN ELEGANT MARQUEE RECEPTION

We are aware that while every wedding is unique, so are the couple at the heart of it. Whether you are hosting an intimate, rustic wedding for close friends in a tipi or a formal 10 course wedding breakfast for three hundred under a sailcloth marquee, we welcome all different styles and themes.

This is where Bodrhyddan can offer a level of flexibility that others cannot, allowing you to build your wedding, your way.

Whichever way you look, you will be amazed at the array of different areas available for photo ops and fun. With manicured lawns, captivating mazes, serene ponds and sweeping parkland vistas your photographs will be one of a kind.

With over twelve acres of formal gardens to use and many more in the woods and parkland; we encourage you to make the most of the space available. Drinks on the lawn, dancing by the ponds, a ceremony in the woods - the choice is yours.
